Cost: 15.000 pesos for the whole semester

Please make the deposit for the fee in any of UAS accounts and inform finance once it's done.

**Chess – Eduardo Salchi, Cafeteria**

A game of skill and ultimately, of strategy.

Cost: 3500 pesos for the full semester, paid to the instructor on the first day of class.

We need a minimum number of 10 students to open the group.

**Robotics Club – Mike Turner & Chris Wilkinson – Maker space Gym Balcony**

**NOTE: the Club will run from 3.45 to 5.45 pm until the Robotics Competition (October)**

The activity is limited to 16 students on "first come first served" basis. The Robotics Club is open to students in grades 6-10. Students use Lego Mindstorms kits to create robots that will compete against each other according to FLL (First Lego League) rules. No experience is necessary. Students learn how to build a basic robot and how to program it with the Lego software. Our primary goal is to have fun exploring and being creative!

**TEDED Club - "Ideas worth spreading" – Haydn Williams \_ Room S206**

### **Musical production workshop – Nicolas Rodriguez – Music Room**

The idea of this workshop is to produce music by using virtual instruments and software.

### **Guitar – Nicolas Rodriguez – Music Room**

Guitar classes and musical theory for beginners and intermediate players.

## **MS Athletics Events Calendar**

**MS Friendship Games:** December 4<sup>th</sup> to 8<sup>th</sup> we will be travelling to Curitiba for the traditional Soccer and Volleyball Friendship Games, hosted by our friends from The International School of Curitiba. Every student is invited to try for the teams and participate in such event, but a limited number of 35 athletes will be allowed to travel. Final rosters will be decided according to the following:

1. Attendance, commitment and behavior in practices,
2. Athletic skill level,
3. 8th grade students will have preference, then 7th grade students, then 6th grade students,
4. Students that have hosted visiting athletes in past Friendship Games/SAAC events will have preference over those that have not.
5. Athletes with an F will not be considered for the trip.

The cost for the trip will be of US\$ 440. Full information and schedule will be sent home by the end of September.

**SAAC Swimming Championships:** November 21<sup>st</sup> to 24<sup>th</sup>, San Pablo (Brazil). A maximum number of 20 MS and 10 HS athletes can make the teams. Cost per student US\$ 420.

Full information and a schedule for the trips will be sent home at a later date.
