ACCREDITATION & MEMBERSHIPS

UAS offers three accredited programs of study, including the International Baccalaureate Diploma Program (IB). We are fully accredited by the U.S. accrediting body New England Association of Schools and Colleges (NEASC) and by the Uruguayan Ministry of Education's Secondary School Education Council (ANEP-CODICEN).

THE OUTDOOR EDUCATION EXPERIENCE

Each year High School students embark on a four-day trip with their grade-level classmates to explore a different part of Uruguay. The format ensures that all students have an outdoor experience, become more familiar with Uruguayan flora, fauna, and culture, and build closer connections with their classmates. All of the trips have adventure, environmental education, and service components.
