

Dear Early Childhood & Elementary Parents,

The Parent Support Group (PSG) are delighted to welcome your family and your children to the 2024-2025 academic year. We believe that communication and community building is key to stay safe, strong and thrive.

The PSG is an enthusiastic and involved group of parents that work together to help strengthen the school community and values. Our goal is to assist in creating the best possible learning environment for our children, focus on communication, cultural activities, and support teachers in educational and social events. We want to achieve academic excellence and reinforce the core values that UAS stands for, and create a positive social footprint within our community.

We would love to welcome you to become a PSG member or volunteer throughout the year for different events. You can also become a room parent or booster coordinator, for more information [click](#). Please checkout our website <https://www.uas.edu.uy/parent-support-group/> for more information about the PSG. We have many resources available on the website to make your transition go smoothly. Please take a moment to look through all the helpful information here on the [New Family page](#).

We encourage your family to be part of your child's parent's classroom whats app chat. It's a fantastic way to meet all the other parents, and help organize class parties, birthday parties, teacher/assistant appreciation day, & other informational messages. We have removed the links to join the **Early Childhood & Elementary** parents WhatsApp chats along with the assigned room parents, but please send an email to psg@uas.edu.uy if you still need to find out who your room parent is.:

There are great ways to stay in touch with our school community. Friday Flash will be sent to your email, with weekly updates of coming school events, in the event you do not receive it please send an email to [Maria](#). You can also follow our community <https://www.instagram.com/uaslearns/>, <https://www.facebook.com/UruguayanAmericanSchool/>, or on <https://twitter.com/UASLearns>. Please do not hesitate to contact us: psg@uas.edu.uy

Best Wishes,

Verónica Jijón
PSG President
