## MISSION

The Uruguayan American School (UAS) is a multicultural, academically challenging learning community that prepares students to be responsible global citizens and lifelong learners through U.S., International Baccalaureate (IB) and Uruguayan curricula.

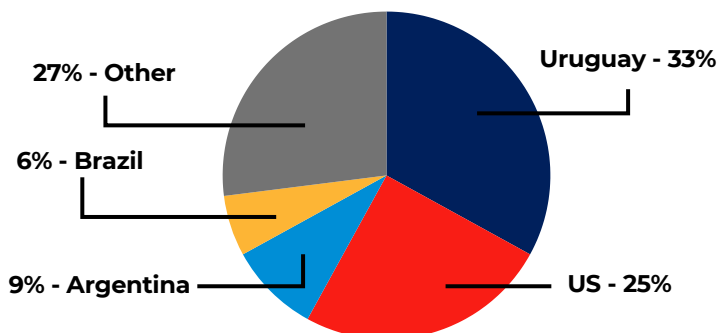

## VISION

A multicultural community committed to fostering global citizenship and providing a premier education.

## SCHOOL COMMUNITY

The UAS was established in 1958 by a group of Uruguayan and U.S. citizens residing in Montevideo and is located on a three-hectare campus in the residential area of Carrasco, Montevideo. It is an international school enrolling approximately **320 students** from Nursery through 12<sup>th</sup> grade. UAS prides itself as being a multicultural, academically challenging learning community that provides distinct pathways for students.

### UAS Student Nationalities

## TRIPLE DIPLOMA

UAS offers three complementary diploma pathways: **the U.S. High School Diploma, the Uruguayan Diploma, and the International Baccalaureate (IB) Diploma**. Students follow a U.S. curriculum in grades 9 and 10 and the IB curriculum in grades 11 and 12, with English as the language of instruction. The U.S. diploma is accredited by the New England Association of Schools and Colleges (NEASC) and requires 28 credits. The Uruguayan Diploma is awarded through the Integrated Uruguayan Program (UP), established in 1999 through an agreement between Uruguayan education authorities and the U.S. government, with all UP classes taught in Spanish. Students in grades 11 and 12 are encouraged to pursue the full IB Diploma, a rigorous two-year, pre-university program that fosters knowledge, inquiry, care, intercultural understanding, and respect.
